

MetLife Disability Income Introduces a New Occupational Class for Dental Specialists

At MetLife, we're creating new ways to help you grow your business and take advantage of opportunities in the individual disability income market.

MetLife Disability Income (DI) now offers select dental specialists enhanced issue and participation limits in a new 5D occupational class. These dental specialists, formerly found in the 5I occupational class, include:

- Board Certified Endodontists,
- Board Certified Oral Surgeons,
- Board Certified Periodontists, and
- Board Certified Pediatric Dentists.

Board Certified Orthodontists will remain in the 5S occupational class.

This new 5D occupational class will receive higher issue limits and higher participation limits with other inforce DI coverage when compared to the 5I occupational class.

OCC CLASS	ISSUE & PARTICIPATION LIMITS	METLIFE CURRENT	METLIFE NEW 5I	METLIFE NEW 5D
